

Welcome to Holymead Primary School

Ms Slatcher is our Headteacher.

Mrs Head is our Deputy Head

**We have 3 Reception
classes: Robin Class, Rabbit
Class and Red Panda Class.**

The teachers in Robin Class are Mrs Sheehan and Mrs Lawrence.

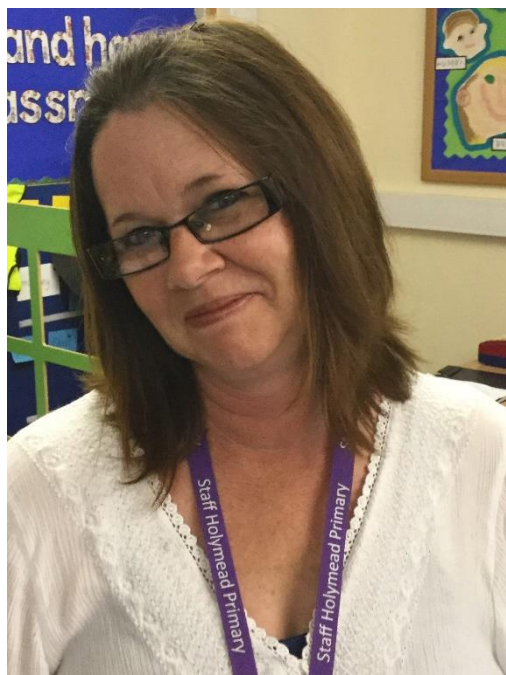

The learning support assistants are Miss Lewis, Mrs Elliott and Miss Dyer.

**The teacher in Rabbit Class is
Miss Carreras.**

**The learning support assistant is
Mrs Taylor.**

**The teacher in Red Panda Class is
Miss Harris.**

**The learning support assistant is
Mrs Cook.**

This is Mrs Wilkins. She is a learning support assistant who works in all three classes.

We are all really looking forward to meeting you.

In school we learn lots of new things. Each classroom has lots of different resources to help us to learn.

I wonder what you would like to learn about?

In the creative area you can have a go at some drawing, painting, making, cutting or sticking.

What would you like to make?

In the book corner you could read a book, share a story with a friend, relax or make up your own story.

I wonder what your favourite story is?

In the construction area there are lots of different toys to play with.

I wonder what you could build?

At school we practise holding a pencil correctly and enjoy making marks and writing.

Funky fingers sessions help us to have strong fingers to grip our pencils.

We enjoy learning about numbers and singing number songs. We also learn to write our numbers and to add numbers together.

Which is your favourite counting song?

**We like to learn in the outside
classroom too.**

This is our visual timetable it tells us what we are doing each day. Can you see what is happening today?

Every day in reception, we have a piece of fruit or vegetable and milk or water. At the same time, we usually share news or listen to a story.

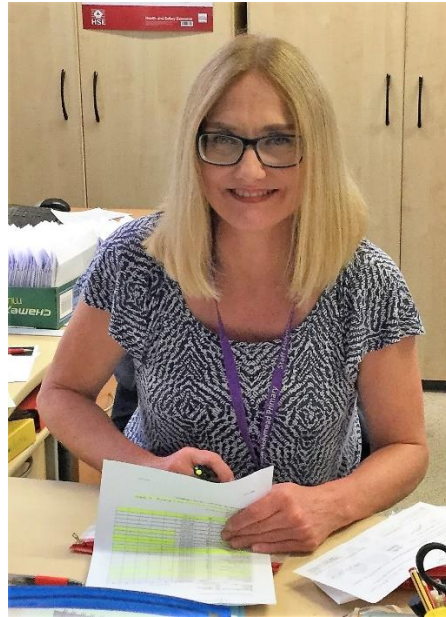

At lunch time, we can choose to have a hot school dinner; we eat this in the hall.

Some children decide to have a packed lunch from home and they eat in the classroom.

Mrs Healy works in our office.

The SMSAs look after us at lunchtimes. They are great at playing games.

This is the playground where we play at playtimes.

In sunny weather we take the winding path up to the grass.

**We are looking forward to you
starting at Holymead Primary
School.**
