Pupil premium lead	Andrew Jones and Jo Head
Governor lead	Phil Wright

Disadvantaged pupil progress scores for last academic year -2019

Measure	Score- 2019
Reading	1.67
Writing	2.37
Maths	-1.02

Strategy aims for disadvantaged pupils- Teaching

Measure	Score- 2019 for PP pupils
Meeting expected standard at KS2	PP Reading 67% Writing 67% Maths 67% RWM 57%
Achieving high standard at KS2	PP Reading 5% Writing 19% Maths 5% RWM 0%
Measure	Activity

Priority 1 Phonics and spelling	Ensure all relevant staff are competent and confident in delivering the current phonic scheme, Letters and Sounds. Identify, purchase and implement new SSP programme- English leader non-contact and training time. Ensure Y2 and Y3 teachers plan and use No-nonsense spelling scheme. KS2 staff identify, track and support progress of pupils who did not meet the threshold in KS1 Phonics Screening.
Priority 2 Reading	Implement the revised Guided Reading system in KS1. In KS2 review the impact of Guided Reading and whole class readers and ensure any necessary changes are put in place. KS2 staff identify, track and support progress of pupils who did not meet the threshold in KS1 Phonics Screening.
Priority 3 Maths	Use school's progression in calculation and selected parts of White Rose Maths and Busy Ants schemes to identify and address gaps in maths and develop depth of understanding in the four rules. Ensure daily arithmetic continues in all classes. Use DART to address misconceptions.
Barriers to learning these priorities address	Ensures disadvantaged pupils have firm foundations in English and Maths to be able to expand their learning and make good progress.
Actual Spend	£34,206.83 Including £15,040.00 for Recovery Pupil Premium (not to be used for NTP school portion but rather to be spent on additional support eg rapid response.)

Teaching priorities for current academic year

Aim	Target	Target date
Progress in Reading	Achieve national average outcomes in KS1 and slightly above in KS2. Increase the percentage of pupils reaching EXP at the end of KS2 compared to the percentage who reached EXP in their KS1 SATs, by 5%	July 2022
Progress in Writing	Achieve national average outcomes in KS1 and KS2. Increase the percentage of pupils reaching EXP at the end of KS2 compared to the percentage who reached EXP in their KS1 SATs, by 5%	July 2022
Progress in Mathematics	Achieve national average outcomes in KS1 and slightly above in KS2. Increase the percentage of pupils reaching EXP at the end of KS2 compared to the percentage who reached EXP in their KS1 SATs, by 7%	July 2022
Phonics	Achieve national average in phonic check and 95% cumulative by end of Y2 re-check.	July 2022
Other	Increase % of PP pupils attending to 94.5% (was 92.32% T1-2 2020 ie not during a lockdown)	July 2022

Remember to focus support on disadvantaged pupils reaching the expected standard in phonics check at end of year 1.

Targeted academic support for current academic year

Measure	Activity
Priority 1 Phonics	Deliver Direct Phonics in Y1, Y3 and Y4. Catch up/ Recovery in-school tutor for Y1 phonic groups for Phase 2,3 &5. Use Y1 Phonic Check to target in-school programme of support for Y2 who need Phase 3&5. Use Y2 Phonic Re-check to target in-school programme of support for Y3 who need phonics. Y3 follow No-nonsense spelling. Intervention groups in KS2 use Nessy.

Priority 2 Reading	EYFS –follow NELI programme. Revise Reading Pets. KS1- Reading Recovery and BRP programme including 1:1 Catch up/Recovery tutor. Reading Protocol, Love of Reading groups. KS1 and KS2 Free Book Scheme with Reading Teacher. KS1 in-school tutor for Speech and Language support KS2- 1:1 readers; comprehension groups and inference groups with LSAs. Y5 disadvantaged boys' love of reading group.
Priority 3 Maths	Revised Mathemagicians in-school programme for KS1, develop into KS2- train LSAs. Numicon to support low ability in KS1 and 2. Precision maths strategy with individuals- lots of repetition and embedding basic concepts. 1:1 and small group Maths tuition with in-school tutors in KS1 and KS2 Rapid response- unpicking misconceptions on individual basis.
Barriers to learning these priorities address	Addresses reluctance to read by creating a love of reading, being able to access text and read with understanding. Addresses gaps in maths learning due to lack of early years' mathematical development before school age and as a consequence of lockdowns. Identify pupils for the in-school tutoring. Monitor impact.
Actual spend	£120,641.83

Wider strategies for current academic year

Measure	Activity
Priority 1	FLW engaging families by building relationships. Supporting families to access support and external agencies. Inclusion forum- safeguarding team discusses the Vulnerable Pupils' list to identify need and therefore be able to provide targeted support to families. Therapy and movement sessions for pupil wellbeing. Trips and activities and support with uniform.

Priority 2	FLW and Head teacher work with Educational Welfare Officer to support families with attendance.
Barriers to learning these priorities address	Addresses poor attendance so pupils are in school regularly and able to access learning.
Actual spend	£17,036.62

Total spend for 2021/22	**£171,885.28**

Monitoring and Implementation

Area	Challenge	Mitigating action
Teaching	Time to train new staff in phonic schemes and Maths resources. Time-table for subject leaders to be able to monitor and support staff.	Support ECTs with phonic training. INSET days to review calculation progression document and revisit White Rose and Maths Hub materials. Non-contact time for subject leaders to review Guided Reading/Class book outcomes.
Targeted support	Space to be able to run interventions. Time-tabling restrictions with Covid bubbles- not possible. Missing class work to do an intervention.	Use corridor, tables in hall, resources rooms etc. Careful organising of TT along with CTs so pupils not always missing same lessons.
Wider strategies	Engaging families in difficult circumstances and overcoming barriers to bringing children to school.	Signpost parents to suitable external agencies for help. Support parents and make them aware of how much their child is missing out if they don't attend school.

Review: last year's aims and outcomes

Aim	Outcome
Reading Achieve national average outcomes in KS1 and slightly above in KS2.	School KS1 72% School KS2 84% PP KS1 36%

Increase the percentage of pupils reaching EXP at the end of KS2 compared to the percentage who reached EXP in their KS1 SATs, by 5%	PP KS2 64% Pupils enjoy being part of our free book scheme and love of reading groups. They loved their visit to Waterstones Bookshop to buy books for themselves and the school. They talk enthusiastically about reading and read for pleasure. All interventions monitored for impact, including RR, comprehension and inference groups, NELI, Nessy, School-Led tutoring. As a result of adopting the new SSP, the school has now ended the Reading Recovery programme and moved to a phonics first approach. A new approach to Guided Reading has been started throughout the school and will need embedding next year.
Writing Achieve national average outcomes in KS1 and KS2. Increase the percentage of pupils reaching EXP at the end of KS2 compared to the percentage who reached EXP in their KS1 SATs, by 5%	School KS1 64% School KS2 71% PP KS1 36% PP KS2 41% Interventions had an impact on PP children's confidence and outcomes in writing following disengagement during lockdowns. The new approach to writing using good quality texts is having a positive effective on writing throughout the school. External moderators of Y6 writing commented on the good quality and quantity of writing in Y6 where they felt children's enjoyment of writing was clear to see.
Maths Achieve national average outcomes in KS1 and slightly above in KS2. Increase the percentage of pupils reaching EXP at the end of KS2 compared to the percentage who reached EXP in their KS1 SATs, by 7%	School KS1 76% School KS2 77% PP KS1 36% PP KS2 41% In EYFS/KS1 Numicon and Mathemagicians interventions along with 'rapid response' and daily arithmetic for all pupils are building firm foundations for number and calculation. In KS2 1:1 small school-led tutoring groups and 'rapid response' have closed gaps for PP children. A whole school Maths in Real Life focus has engaged PP children who can see a purpose for learning maths.

	Gaps in maths knowledge have been identified and much has been caught up following lockdowns. However, maths is still an area where there are gaps to bridge. This will continue to be a focus next year.
Phonics Achieve national average in phonic check and 95% cumulative by end of Y2 re-check (2019).	Y1 89% Y2 recheck 60% Cumulative by end of KS1 93% New SSP purchased along with new decodable books, resources and training package from SPP providers at the Reading Hub. New SSP being implemented from January 2022 in YR and Y1 with SSP interventions starting in YR-Y2 from May 2022. Previous phonic scheme and interventions were being followed before this and had a positive impact on phonic outcomes. Rolling the SSP into KS2 will be a focus for next year.
Attendance Increase % of PP pupils attending to 94.5% (was 92.32% T1-2 2020 ie not during a lockdown)	FLW and other staff have built good relationships with parents to help them see the importance of attendance. Work with 6 individuals with the EWO and/or social services has led to all pupils re-engaging with full time education after sporadic attendance following Covid disruption. All other PP pupils were already attending regularly and absences are for authorised reasons.
