

**Holymead Primary School**  
**'Nurture, Inspire, Achieve'**  
**Home-School Agreement**

**Our Vision Statement states:**

Holymead Primary School *nurtures* children through a safe, caring and supportive environment.

Holymead Primary School *inspires* children through creative, exciting learning experiences.

Holymead Primary School aims to enable every child to *achieve* their full potential.

**The school will:**

- Have high expectations of children's learning and behaviour
- Engage with parents/carers in a respectful, courteous manner
- Provide a curriculum that follows government guidelines and keep parents/carers informed of its content
- Encourage children to respect others, the school environment and resources
- Keep parents/carers informed about their child's progress
- Encourage parents/carers to contribute to their child's learning at home and school
- Address parents'/carers' concerns when they are made aware of any issues

**Parents and carers will:**

- Have high expectations of their children's learning and behaviour
- Engage with school staff in a respectful, courteous manner
- Ensure their children attend school regularly and on time
- Inform school of any important information which relates to their children
- Send children to school ready to learn and achieve
- Join with the school in monitoring children's progress and celebrating their achievements
- Share their concerns with the school before commenting on social media. The school has an open door policy whereby parents are welcome to come and discuss any issues they may have. In the event of concerns parents/carers should contact the head in the first instance and follow the school's complaints procedure

.....

I have read the Home-School Agreement and agree to support it:

Signature on behalf of the school.....

Signature of parents/carers.....

Name of child.....

Date.....

**Rights Respecting Schools Article 28:**

All children and young people have a right to a primary education, which should be free. Wealthy countries should help poorer countries achieve this. Discipline in schools should respect children's human dignity. Young people should be encouraged to reach the highest level of education they are capable of.
