## 2. Organisation of the school for health, safety and wellbeing

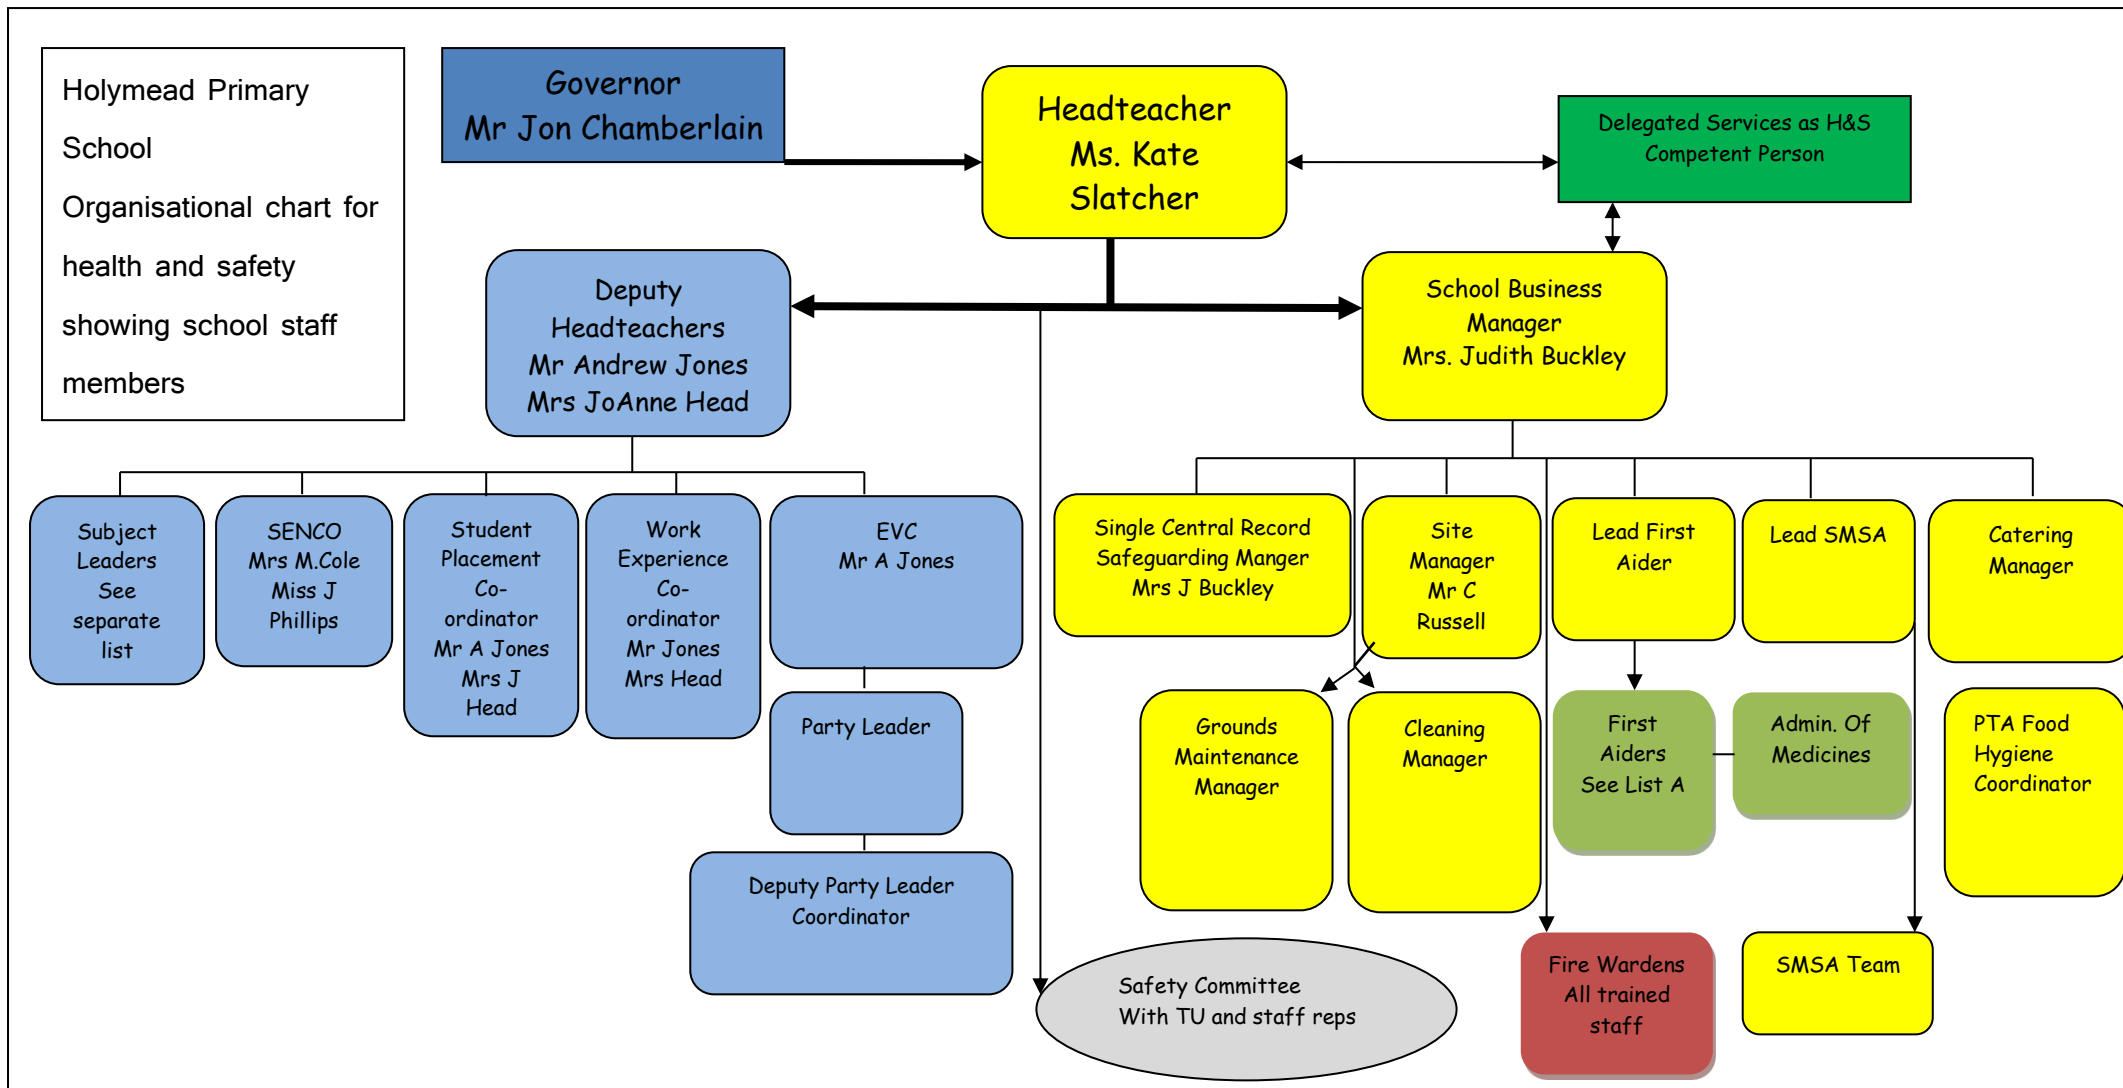

**2.1** The governors of Holymead Primary School recognise the need to identify organisational arrangements in the school for implementing, controlling and monitoring HS&W matters. In this matter they follow the guidance in document *HSG 65 Managing for Health and Safety* published by the Health and Safety Executive. They also accept the need to consult individuals before allocating particular health, safety and wellbeing functions. Individual duties including reporting arrangements and, therefore, organisation and accountability follow.

### 2.2 Functional elements: Committee structure

### 2.3 Functional elements: School organisation

The posts with significant HS&W roles are set out in the chart below. Everyone has some responsibility and the chart is highlighting the major management lines. A list of people and their jobs and health and safety roles follows in a table. School staff members are in Table 1 and 2 and contractors in table 3.

### **3.0 School Health, Safety & Welfare Committee**

- 3.1. The governors recognise that the way forward in achieving effective management of the school's HS&W Policy and the arrangements necessary to fulfill the obligation is through the School HS&W Committee, or other committee incorporating these responsibilities.

The HS&W Committee will comprise:

The Governor(s) holding the Health, Safety and Wellbeing portfolio(s);

The Headteacher;

The Health and Safety Coordinator;

The Site Manager;

Pupil reps (appropriate to their age);

Other people who may be able to contribute to matters under discussion for example: The Educational Visits Coordinator, First Aid Lead staff, Personnel/HR, SENCO, staff with safeguarding roles.

- 3.1. The HS&W Committee shall meet frequently so as to give time and full consideration of:

- i) Risk assessments, safety procedures and working practices;
- ii) Reports on premises inspections, and
- ii) The resources required for training and development and other HS&W matters.

- 3.1.3 The HS&W Committee shall in addition meet annually in order to exercise an overview of the School's HS&W performance and to produce a report for the Governors and the Full Governing Body.

### **3.2 Arrangements for Safety Representatives or consultation with Employee Representatives.**

3.2.1 Liaison and communication will take place with Trade Union Safety Representatives, or consultation with Employee Representatives about problems, hazards or defects either arising from or relating to this sphere of activity. Problems other than sources of imminent danger will be discussed at the HS&W Committee.

3.2.2 Specific issues that require immediate action will be taken after consultation with the Headteacher.

### **4.0 Monitoring and auditing Health, Safety and Wellbeing Performance**

- 4.1. The Governors will require the Headteacher to provide an annual report on all HS&W matters which will identify strengths and development areas, propose achievable remedies, and set objectives for continuous improvement.

- 4.2. The report will provide an annual overview of:

- i.) Reported incidents, incident investigations, bump book analysis, lost

- time data and resulting preventative measures;
- ii.) Emergency procedures including fire precautions and first aid;
- iii.) Policies and arrangements introduced, risk assessments undertaken and procedures implemented;
- iv.) Internal and external inspections as well as audits;
