

How to access the class blog pages on a phone:

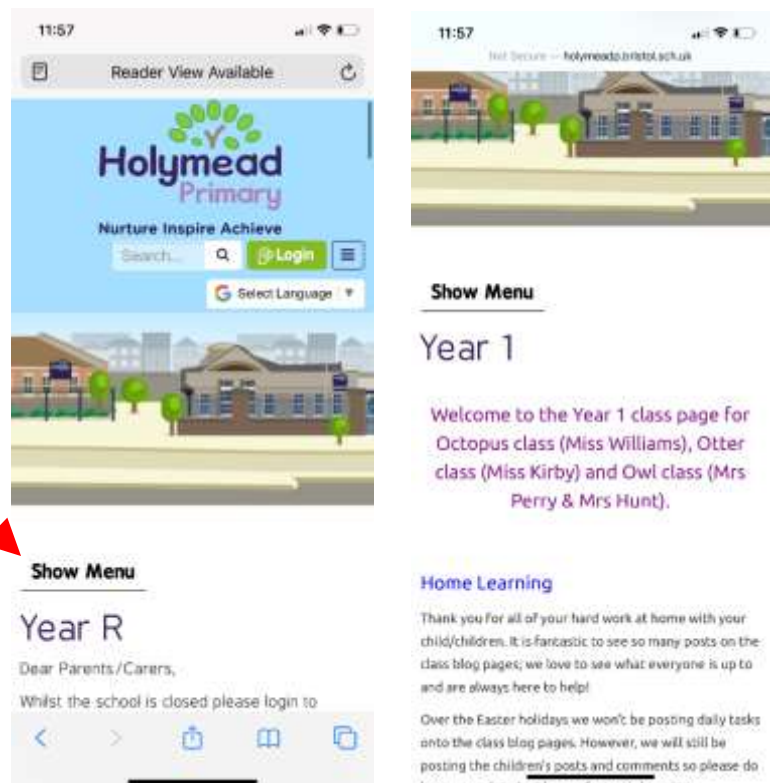

1. Go to the school webpage:

<http://www.holymeadp.bristol.sch.uk/web>

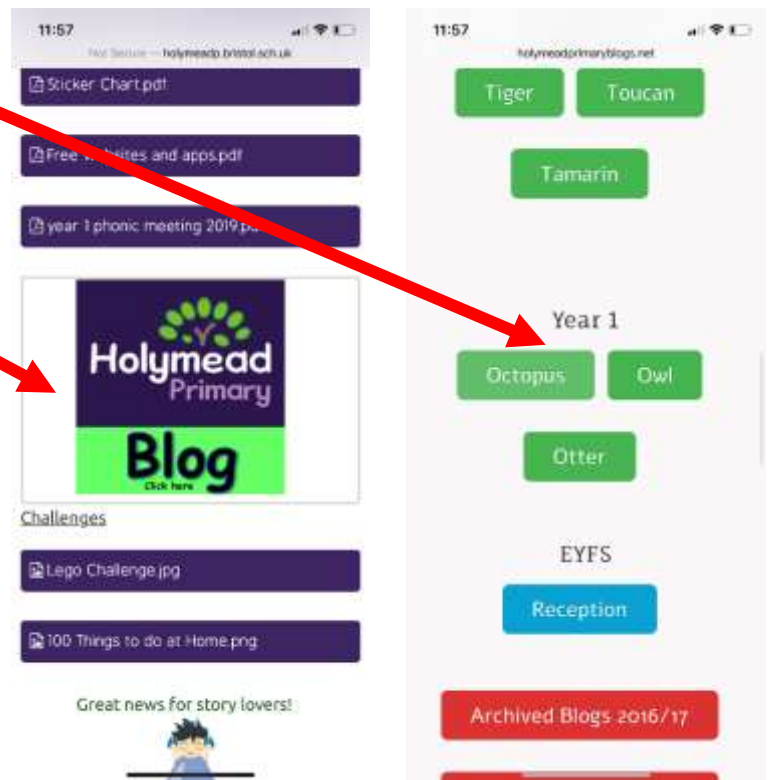

2. Click on the three lines to access the menu and select 'Year Groups'.

3. Click on 'Show Menu' and select 'Year One'.

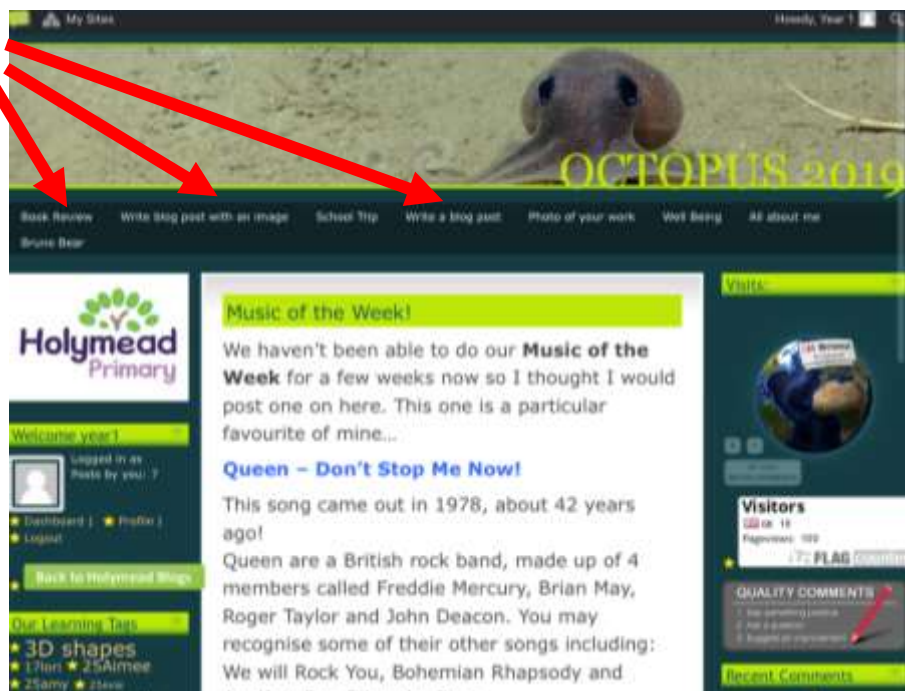

4. Scroll down the page and click on the Holymeard Primary Blog link. Select your child's class.

5. You can log in using the username **year1** and the password **year1**.

6. You can now select from the tabs at the top to choose what you would like to post.

7. Fill in the form. Include your first name at the end of your post so that your teacher knows who the post is from and press submit. **Remember to not include any surnames.**

8. The post will not appear on the class blog page straight away. The class teacher will need to verify and publish your post. Remember to check back later to see the published post and any comments from your class teacher. Happy blogging!
