

English Homework – Set Thursday 23rd November

Due: Tuesday 28th November

In English, we have been looking at non-chronological reports. For your homework we would like you to create your own non-chronological report about an animal of your choosing.

Remember, non-chronological reports DO NOT need to be in any specific order. Here is a list of what your non-chronological report should include:

- A title (maybe the name of your animal, use alliteration?)
- Introduction (telling your reader what the report is about)
- Subheadings (mini titles for each paragraph of writing)
- Pictures and diagrams (diagrams have labels)
- Facts not opinions (NO 'I think')
- Technical language (words linked to the animal you have chosen e.g. prey, habitat, chicks)
