

Are you a parent in BS4?

7th November
7-9pm
St Anne's
House
BS4 4AB

Refreshments provided

Come and have your say about what you want in the BS4 area to help with the important, and often challenging, job of being a parent!

We are a group of play therapists and mums working in St Anne's House.

You are invited to an evening of creative and open discussion with us to explore what you really need or would like there to be available for parents in this area. Your say will help us plan what events and activities we provide for you this year.

Can't make the night?
