### 1. Mission statement

At Holymead Primary School we are committed to working to achieve a just and tolerant society where diversity and equality are respected. We align our values and ethos with the UNCHR and UNCRC and are a UNICEF Rights Respecting School.

We have equal regard for pupils, staff, parents and carers and the wider community irrespective of age, disability, ethnicity, race, religion and belief, gender, gender reassignment, sexual orientation, marriage and civil partnership, pregnancy and maternity, and socio-economic situation. These are referred to forthwith as the 'protected characteristics'.

We aim to develop a culture of inclusion and diversity in which all those connected to the school feel proud of their identities and able to participate as fully as possible in all elements of school life.

We commit to respecting those within or outside of what the 2010 Equality Act defines as 'protected characteristics' and recognise that past prejudice and discrimination in society hinders the achievement of a just, pluralistic diverse and tolerant society.

We recognise that we need to be vigilant in promoting success for and by all. The achievements of pupils will be monitored by ethnicity, gender, disability and socio-economic background and we will use this data to support pupils, raise standards and ensure inclusive teaching and where this is within the law targeted use of resources and positive action- for example in deploying the Pupil Premium funding to support pupils receiving Free School Meals, Children in Care (CiC) and children with a parent/carer in the armed forces.

As a *Rights Respecting School* we will tackle discrimination by the positive promotion of equality and inclusion, challenging bullying and stereotypes and creating an environment which champions respect for all. At Holymead we believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here.

The school aims to:

- Eliminate discrimination and harassment
- Promote equality of opportunity
- Foster good relations, tolerance and a deep understanding of each other's traditions, lives, and values
- Reduce the potential risks pupils/students face of being exposed to violence, extremism, exploitation or victimisation.

- Create global citizens committed to service and respectful treatment of the planet and others

## **2. Mainstreaming equality into policy and practice**

As well as the specific actions set out beneath this plan, the school operates equality of opportunity in its day to day practice in the following ways:

### **Teaching and learning**

We aim to provide all our pupils with the opportunity to succeed, and to reach the highest level of personal achievement. To do this, we will:

- Use contextual data to improve the ways in which we provide support to individuals and groups of pupils;
- Monitor achievement data by age, ethnicity, gender, disability and socio-economic background and action any gaps;
- Take account of the achievement of all pupils when planning for future learning and setting challenging targets;
- Ensure equality of access for all pupils and prepare them for life in a diverse society;
- Use materials that reflect the diversity of the local community school, wider UK and global population in terms of the protected characteristics, without stereotyping;
- Promote attitudes and values that will challenge discriminatory behaviour including but not limited to racism, homophobia and disablist intolerance and prejudice;
- Provide opportunities for pupils to appreciate their own culture and that of others, and to celebrate and value diversity;
- Seek to involve all parents/carers in supporting their children's education;
- Encourage classroom and staffroom discussion of equality issues which reflect on social stereotypes, expectations and the impact on learning;
- Include teaching and classroom-based approaches appropriate for the whole school population, which are inclusive and reflective of our pupils.

### **Admissions and exclusions**

Our admissions arrangements are grouped according to age and are fair and transparent. We aim not to discriminate on the grounds of the protected characteristics, but might be asked to admit a learner based on our ability to respond to or meet their special or additional needs.

Exclusions will always be based on the school's Behaviour Policy, and will consider the needs of the school community and the individual(s) concerned. We will closely monitor exclusions to ensure protected characteristic individuals, groups are treated fairly and with an appropriate consideration of balancing transparency and confidentiality for ethical reasons.

### **3. Equal Opportunities for Staff**

This section deals with aspects of equal opportunities relating to staff at Holymead Primary School.

We are committed to the implementation of equal opportunities principles and the monitoring and active promotion of equality in all aspects of staffing and employment.

All staff appointments and promotions are made on the basis of merit and ability and in compliance with the law. However, we are concerned to ensure wherever possible that the staffing of the school reflects the diversity of our community.

#### **Employer duties**

As an employer we work within the Public Sector Equalities Duty (PSED). We aim to ensure that we eliminate discrimination and harassment in our employment practice and actively promote equality across all groups within our workforce.

Equality aspects are considered when appointing staff or re-evaluating staff structures, to ensure decisions are free of discrimination.

Actions to ensure this commitment is met include:

- Monitoring recruitment, promotion and retention, bullying and harassment of staff;
- Continued professional development opportunities for all staff;
- Senior Leadership Team support to ensure equality of opportunity for all.

### **4. Equality and the law**

The Equality Act (2010) supersedes all previous equality legislation and brings together a number of statutory duties with regard to inclusion and participation. Additionally, the DfE also places statutory requirements on schools.

We recognise and accept these legal frameworks and reiterate our commitment to upholding the UNCRC.

#### **Definitions and explanations**

##### **4a. Ethnicity Equality**

This can refer to people of different ethnic, cultural, linguistic, faith or religious groups etc.

##### **4b. Disability**

This section should be read in conjunction with the school's Special Educational Needs and Disability (SEND) Policy and Access Plan.

##### **Definition of disability**

The Equality Act (2010) defines disability as 'a physical or mental impairment, which has a substantial and long-term adverse effect upon their ability to carry out normal day to day activities.' The illness or condition is considered long term if it has lasted, or could last twelve months or more.

##### **4c. Gender Equality**

Male and female including those transitioning or who have undergone gender reassignment.

##### **4d. Sexual orientation and transgender**

This includes lesbian, gay, bi-sexual and transgender people within the school and wider community referred to herein as LGBTQ+.

#### **4e. Community cohesion**

Although promoting community cohesion is no longer a statutory expectation of schools we value the diversity and richness of our wider community. We believe inclusion encompasses promoting good relations between pupils from different places, ethnic groups, faiths / beliefs and socio-economic backgrounds. The school works to promote community cohesion and encourage good global citizenship values, including what is described in policy as 'British Values'. We are a *Rights' Respecting School*.

#### **5. Consultation and involvement**

The development of the Equality Policy and the actions within it have been informed by the input of staff, pupils, governors, parents and carers.

We take feedback from:

- An annual parent questionnaire, parents' evening, and governors' meeting;
- Staff surveys or through staff meetings / INSET;
- The School Rights Action Group, PSHC lessons, school surveys on children's attitudes to self and school;
- Annual reviews, Reviews of progress on Individual Education Plans/Personalised Provision Maps, mentoring and support;
- Governing body meetings and questionnaires.

#### **6. Roles and Responsibilities**

Teachers will support the work of ancillary or support staff and encourage them to intervene in a positive way against any discriminatory incidents.

## 7. Tackling discrimination

All staff will:

- Regard harassment in relation to the protected characteristics as unacceptable.
- know how to identify and challenge prejudice and stereotyping.
- be able to support the full range of diverse needs according to a pupil's individual circumstances.
- deal with any discriminatory incidents that may occur according to our current policy including recording all prejudice/harassment/bullying related incidents responding and escalating reporting as appropriate

Parents/carers of the victim will be asked to come in to discuss the incident and restorative actions.
