RE and PSHE

In RE we will be continuing our topic 'Where Do We Belong?' and thinking more about how Jewish people celebrate their faith.

In PSHE we are celebrating differences! We will look at how our differences make us who we are and how we can manage when people try to bully us because of our differences.

PE

In PE we will be practising our jumping and landing skills, as well as our seated balances. We will think about how we can work as a team and encourage one another.

Science

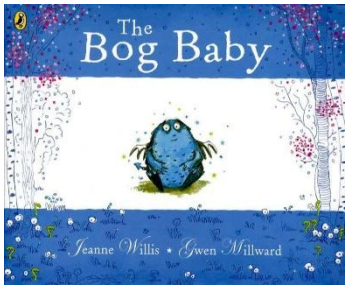

In Science we will be learning about animals (including humans), thinking about their offspring and lifecycles, and how we, as humans can keep healthy.

Music

For Music in Term 2, we will be learning our songs ready to perform them in the Christmas play.

English

In English we will use 'The Bog Baby', 'Luna and the Sky Dragon', and the animation of 'The Bear and the Hare (animation) to help us write in different styles, recalling and innovating stories, and putting to use our understanding of adjectives and conjunctions.

Holymead Primary

Nurture Inspire Achieve

Year 2 Term 2

DT

In DT we will design and make a Christmas decoration, and evaluate our plan and our work.

Computing

In Computing, we will be looking at computer systems and technology around us. We will think about how we can use technology safely.

History

In History, we will look at the lives of Mary Seacole, Edith Cavell, and Elizabeth Nneka Anionwu, considering how their actions continue to have an impact on nursing and why we might think of them as heroes.

Trips

Our trip this term will be to St Luke's Church in Brislington village to support our topic in RE.

Maths

In Maths we will be practising our skills of addition and subtraction, using two-digit numbers and bridging across ten. We will also learn how to solve worded problems using addition and subtraction.

We will practise number bonds to 100, and learn about money (identifying coins, finding the of coins and notes, comparing totals, finding the difference, and finding change).

We will also start to learn about multiplication and division, first looking at making equal groups.
