English

In English this term we will continue our focus on writing CVC words and we will begin to learn to write short captions. We will introduce “Drawing Club” which is an imaginative and exciting approach to drawing and writing about stories. Our stories this term are “Zog and the Flying Doctors” and “Stickman”.

Geography

We will continue our learning from term 1 around our local community and where we live. We will be learning about different types of houses and making comparisons.

PE

Our PE Days are Fridays. This term we are working on developing and applying footwork skills and one leg balance.

Maths

Our focus will be on the composition of numbers to five, learning number facts to help us. We will also be making comparisons of amounts using more or fewer. In our shape lessons we will focus on four sided shapes and pattern.

Holymead Primary

Year R Term 2
Curriculum Overview

Enquiry question

Through our topic learning and enhanced provision we will be thinking about “How can we help our community and care for the world?”. This will include learning about people who help us and their roles in our local community. We are looking forward to lots of exciting visitors!

Science

Our learning this term will focus on materials. We will be exploring, describing and sorting different materials by how they feel and what they are made of. We will also investigate which materials are waterproof. Through our enquiry learning we will also look at the importance of recycling and looking after our world.

RE

We will be learning about different events and how they are celebrated including Diwali, Remembrance day and Advent. We will also be learning about the Nativity story as we prepare for our Christmas performance.

PSHE

Our unit ‘Celebrating difference’ focuses on how everyone has differences and similarities that make us unique and special.

Music

This term will involve lots of singing as we learn our nativity songs for our Christmas performance.

Art, DT, cooking

We will be making Diwali clay pots, Remembrance day poppies and lots of
winter crafts and cooking.
